ONE EASY STEP TOWARD TWO "GREEN GOALS"

You want the greenest future possible: for your investments as well as the environment. We understand. And with **e-Delivery** of your Northern Funds documents, you can take strides toward both goals.

With online access to your annual and semi-annual reports, prospectuses and other Northern Funds documents, it's easier to stay informed — and make smart decisions — about your investments.

These e-documents not only save trees, they also are much easier to store (on your computer) for future reference. It's easy to sign up for e-Delivery — just visit **www.northernfunds.com/resources** and click 'Sign Up for e-Delivery.'

PLEASE JOIN US IN
HELPING THE ENVIRONMENT

Choose e-Delivery for Your Northern Funds documents

Like many of our clients, you care about the environment and want to do your part to preserve it. We do too . . . so we invite you to switch to our **e-Delivery** service for your Northern Funds documents.

Less paper for you to handle, convenient storage of documents on your computer, and more trees and other resources saved.
What could be better?

Thanks for teaming up with
Northern Funds to help the environment.
